

REMARKS

Consideration and entry of these amendments is respectfully requested. The specification has been amended to insert the SEQ ID NOS. and correct typographical errors. Original claims 1-51 have been cancelled and new claims 52-69 introduced. These amendments do not add any new matter and are supported by the application as originally filed. All amendments are made without prejudice or disclaimer. Applicants reserve the right to prosecute any cancelled or unclaimed subject matter in this or subsequently filed application(s) as appropriate. Consideration and entry of these amendments is respectfully requested.

Restriction Requirement

Applicants hereby elect, without traverse, the subject matter of Group I relating to a plurality of peptide products and methods of use (new claims 52-69). The ten species elected are SEQ ID NOS. 67-76 shown in new claim 1.

Sequence Listing

A new Sequence Listing is attached hereto in both paper and computer-readable form. The undersigned representative hereby declares that the content of the paper and computer readable copies of the Sequence Listing submitted herewith are identical in content and do not contain new matter. Two CD-ROMs are attached which each contain identical text files of the Sequence Listing.

CONCLUSIONS

Applicants believe the application is in condition for allowance and respectfully request that a Notice of Allowance be issued as soon as possible. If there are any questions, the Office is encouraged to contact the undersigned.
